## GHS/HAZCOM WEBINAR TRAINING PROGRAM HIGHLIGHTS

<b>Features</b>	<b>Benefits</b>
Multiple webinar training program dates and times	Meet December 1, 2013 deadline with no loss of productivity and avoid work interruptions. Our webinars are conducted during lunch, at break times, and to cover multiple shifts. We can also create a custom course schedule just for you!
OSHA compliant training	Live webinars with experienced trainers.
Multiple courses to choose from	Pick the course or courses that best suit your needs. Train several, to 35 at one time.
Turnkey program	ACS provides all you need such as: sign in sheets, certification of training, and training records.
Follow up resource for questions	800 number and email
Ability to train new employees	New hires can be trained easily to maintain compliance at a future program.
Ongoing resources to know what to do and get help	Periodic Alerts & Bulletins. Our program keeps you informed about the future deadlines and what you need to do.
